SUBJECT: Proposed Revision of [redacted] CIA Retirement
and Disability System (Job #176)

FOR YOUR INFORMATION:

1. This proposed revision of [redacted] was initiated by the Office of Personnel, in coordination with the Office of General Counsel, to incorporate significant changes in legislation that has expanded the current regulation greatly. In updating Agency policy concerning the CIA Retirement and Disability System to reflect these changes, the regulation has become detailed.

2. This proposal has been coordinated informally throughout the Agency and has received extensive analysis and review. In the interest of having the proposed revision placed into the regulatory system as soon as possible, we are circulating [redacted] in its present form to permit a final review for content. After this review, the detailed procedural and explanatory information will be removed from the regulation and incorporated into a headquarters handbook.

3. We plan to send the proposal to the Deputy Director for Administration for approval on 1 August 1984. Please direct any questions or comments to the undersigned before that date.
